Do you still have Xbox Live Gold or Game Pass prepaid time?

To upgrade to Xbox Game Pass Ultimate and combine Xbox Live Gold service and Xbox Game Pass into one bundle, follow these steps:

1. Check if you have any remaining Xbox Live Gold or Game Pass prepaid time.
2. When you upgrade to Xbox Game Pass Ultimate, any existing prepaid time will be automatically applied to the new Ultimate subscription.
3. For more details and frequently asked questions about Xbox Game Pass Ultimate.

By upgrading to Xbox Game Pass Ultimate, you can enjoy the benefits of both Xbox Live Gold and Xbox Game Pass services in a single convenient bundle.

Xbox Game Pass Ultimate 1-Month Membership United States (US).

This membership code can only be redeemed if you do not have an active Xbox Live Gold, Game Pass, or Game Pass Ultimate subscription on your account. The code must be redeemed when your account does not have any other ongoing memberships in order to activate the 1-month of Xbox Game Pass Ultimate access.

Experience the ultimate in gaming with Xbox Game Pass Ultimate. This 1-month membership gives you unlimited access to over 100 high-quality games across Xbox consoles and Windows PC.

Benefits:

- Play over 100 games on Xbox One and Series X|S consoles. New games are added all the time.
- Play over 100 PC games on Windows 10 devices. The PC library continues to grow.
- Combine Game Pass, Xbox Live Gold, and exclusive member discounts into one subscription.
- Download full games to your Xbox or PC to play offline anytime.
- Play alongside friends with online multiplayer on supported games.
- New Xbox exclusive titles from Bethesda, ID@Xbox, and more added on launch day.
